Fantastic opportunity!! Located within a short drive from the traditional and charming mountain town of Jijona, this substantial 3 bedroom villa occupies an elevated position on the side of the Carrasqueta mountain range. From which it enjoys splendid mountain views and views towards the coastline of Alicante. The villa sits within a good size double plot which extends to 1.738 m2 and provides a detached garage plus a car port. There is room within the property to construct a private swimming pool, if required, (subject to planning license) but there is also a communal garden area with swimming pool within the neighbourhood and a local bar. The house is arranged over ground and first floors and is divided into 2 separate, self-contained residences. The upper floor comprises the principal residence and offers 2 double bedrooms, 2 bathrooms (1 en-suite) a reception and dining room; a kitchen and a winter room. The ground floor unit provides a double bedroom with en-suite bathroom, kitchen and breakfast / dining room and a large reception room / entertainment room with bar area. At ...
