Apartment in Guardamar - Ref:MedON10

**166.000 €**

Bedrooms: 2 Bathrooms: 2 Built Area: 78m2 Plot Area: 0m2

This new residential development comprises a gated community offering 84 apartments, arranged within low level buildings set around a communal area with gardens and a good size swimming pool. The complex will also provide a SPA, a gymnasium and a secure car parking facility. The model types available in this project are 2 or 3 bedroom apartments. The ground floor apartments will have gardens and the top floor units will benefit from having a good size solarium. The development lies within a 5 minute drive from the coastal town of Guardamar del Segura, 15 minutes from Torrevieja and 35 minutes from Alicante international airport. The commercial centre of Ciudad Quesada is found within 7 km and there is also a smaller commercial centre within the immediate locality.
